*Re: In the Matter of Basic Service Tier Encryption Compatibility Between Cable Systems and Consumer Electronics Equipment, MB Docket 11-169; In the Matter of Compatibility Between Cable Systems and Consumer Electronics Equipment, PP Docket 00-67*

Dear Ms. Dortch,

Please find attached 2,917 comments from members of the public, collected via a form on the Public Knowledge website, urging the Commission to delay allowing basic tier encryption until it fully considers the impact encryption will have on all parties, including consumers.

Respectfully Submitted,
